The Headmaster's Address

My congratulations to each member of the class of 1983! Your senior year has been challenging, dynamic, interesting, foolish, fun, rewarding, disappointing, talented, successful, sad, responsible, ingenious, beautiful, supercilious, creative, surprising, athletic, academic and wonderful.

Of course, each year you live will be a mixture of a wide variety of feelings and accomplishments. We hope that the Academy has helped you to learn more about your world, your neighbors, yourself.

We also hope you will remember us. You might even want to write on this page those two or three faculty members and two or three students who had a significant impact on your life and your education. These are the people with whom you ought to keep in touch and enjoy throughout your life.

We also hope you will come back often to visit the Academy. We need your support and guidance as we attempt to affect your successors' futures.

Good luck and warm regards to you all!

The Dedication

This year we, the class of 1983, are proud to dedicate the yearbook to a man who has faithfully served the NYA community with his good humor, his compassion, and his generosity. This man has made many material and intellectual contributions to and has seen many changes in NYS during his twenty three years. The dorms where he served as dorm master have been adapted into old age homes. His highly successful wrestling teams have been replaced by equally successful ice-hockey teams. The elm trees which used to line Main Street fifteen years ago were replaced with trees that he helped replant. And in 1975, after Russell Hall burned, he helped design and rebuild the science building.

For twenty three years, this man has walked the halls of our school with a smile which has radiated warmth, and sensitivity. For twenty three years, he has entered his classroom with an undying enthusiasm for the subject which he teaches: an enthusiasm which is inevitably contagious. He has dealt with squeamish girls who carefully prodded grasshoppers with their eyes closed. He has handled abashed boys who masked their embarrassment about the human body with crude jokes. Our "bald man" jokes induced a glowing blush which grew from neck to crown, but the jokes disguised our utmost respect, admiration and love for a man whose patience with his students and obvious joy which he derives from them have led us to this dedication.

Because of all this-

Because of the way you have touched our minds and our hearts- not just with a chalk on a blackboard- but with your heart and soul-

We dedicate this book to you, Mr. Graves.

North Yarmouth Academy will suffer another great loss this year: Winifred (Winnie) Burnham is retiring from her position of librarian to undertake the task of preserving the archives of the school. Mrs. Burnham has participated in the NYA community for twenty five years. And during this time, she has not only served as a librarian, but as a dorm mistress and a reading advisor as well. In addition to her various jobs, she has reinstated the Cyrus H.K. Curtis Chapter of the National Honor Society. Yet, these accomplishments are only a fraction what Mrs. Burnham has actually contributed.

Mrs. Burnham has always taken great interest in the students—an interest which is reflected in her helpful assistance as librarian and in her everyday interactions as a friend and advisor. The constant warmth and straightforwardness with which she greets everyone touches all, even those who do not know her well. Mrs. Burnham's unrelenting patience regarding our overdue books, her obvious pleasure from relating with students and faculty and her occasional, humorous quips are aspects that we will always remember and aspects that will touch our hearts when we reflect upon our years at the Academy.

We thank and honor you, Mrs. Burnham for your dedication, kindness and pride in our school.

And how you suffered for your sanity
And how you tried to set them free
They would not listen
They did not know how, perhaps they'll listen now
For they could not love you,

Field Hockey

A win/lost record does not completely tell the story of a season; at least can say that our win/lost record does not completely tell our story because there were some fine records that were set which were somewhat obscure yet definitely significant. For example, the 1981 field hockey team set a record for having the most girls out for one competitive sport. We actually had enough players for the same girls sport during one season: Ms. Bobrycki and Mrs. McKissock. In addition to the increased number of participants, we increased the number of games to a grueling 23 game season by playing in the MAISAD and private school leagues.

Consistent with tradition, we began our season with an exciting and suspenseful game with Weymouth. Although we lost 1-0 this first game, the second time we met the "Green Machine" the game remained scoreless after double overtime. Against Oak Grove, we managed to score and dominate both games for two solid wins with goals by forward Stephanie Hart and right flank Kristen Mae. Yet such wins were harder to realize when we played our tougher opponents Sacopee, St. Dom's and Yarmouth. Sacopee was relentless in its scoring drive and unfortunately our starting goalie, sophomore Sonia Gendron, had to leave the game because of a severe back problem which consequently ended her career. Freshman newcomer, Alison Palmer took over the goalie position and performed admirably against the quick passing St. Dom's team. And then when we played Yarmouth, in our second confrontation, after some major changes in our forward line up, we gave the triple C-cupper-champions a tough battle. We started the game with an incredibly fast first goal by inner forward Serrene Karkos. The score remained 1-0 until half time yet we ended by surrendering to a 1-2 loss.

During the last few games of the season, the team really hit a peak with a 1-0 win over Gould Academy and a 3-2 win over Kents Hill. Senior Karen Doughty managed to score all four goals with two assists by Freshman left link Joanna Gove, Sophomore left wing Andrea Gove and Senior right wing Lisa St. Lawrence.

With the exception of four seniors, the starting line up was comprised of freshman and sophomores. So although we will miss the Co-captains Lisa St. Lawrence and Charlotte Smith, the defensive standout Jennifer "The Horse" Horstmann, and the offensive powerhouse Karen Doughty we do have a promising future with the returning twelve varsity underclassmen and with the ever improving junior varsity squad.

Men's Cross Country

With a record of 0 wins and 10 losses the first year in the new SPA Cross Country team, several years of work are needed for a cause to observe a victory in an 11 year. In truth this year's team was not only competitive but one of the notable in power of the state. It took 11th place to the first appearance of an NYA team at an SPA State Championship Meet.

The season began in mid-August with Coach Hudson starting distance practices. After three weeks of sore legs, 16 starters and a coach, Hudson and City, as the team leaders, a meet at MDI Invitational was held to determine the eventual Class B champs. Setting the pattern for the year, Jeff McCarthy started the new team's Class B season picked up the schedule from the ranks of Class B Banquet. NYA was clearly overmatched by most of the experts, but was pushed by these fast runners to faster and improved performances. Leading the way for NYA on this initial road was Captain Chris Swan, followed by underclassmen Sean Mular and Bowe Austin. The rest of the team consisted of newcomers Steve Anderson and Denny Moorehead and veterans Jeff McCarthy, Sean Sutherland, and Bill Lane.

On the following Wednesday the team faced off at a race against Class C power Wiscasset. Wiscasset placed their first two runners across the finish line easily, won but the beginning of a race team pack was seen as NYA followed with the next five places. Three days later this same tight group of six won NYA's first ever eventual MAISAD champs Fryeburg. Although fresh, he came across the first and second line pack of Swan, Mular, Austin and Moorehead with Sutherland and newcomers Brad Wall and Matt Jeton giving displacement depth gave a close three point win to NYA.

The month of October opened with a busy schedule of 11 meets in a week. Two successive meets saw wins at Hebron Class C, Jay and Livermore Falls Class B, Kennebunk and Falmouth. At Livermore NYA picked up a win against Class B Rumford and at Hebron won against Gorham but came close to winning after

zum. That schedule was too big and the runners were clearly exhausted by the end of the week. A severe blow to Derek Montehead was another unfortunate outcome of the week, and his promising Varsity Start was finished for the year.

The last three weeks of the regular season saw an easier schedule and impressive performances by all, especially rookies Austin Jetton and Wade Weller. Though their was a lot to be done at Varsity level, during this period the team beat both Buckeye and Kankakee in first Class D competition and in MAISAD meets defeated Waynepointe, Brighton, and Kankakee. The team also lost return encounters with Westside, Hyde, Freeburg, and Hebron. Against traditional MAISAD competition and SPA competition within its own level of Class D, NYA finished with a fine record of nine wins and six losses.

Meeting in the last week of the season and the State Class D meet, things looked promising as the team seemed to be peaking at the right time. In the last tryout session of the year, the entire team of eight runners ran personal record times on NYA's home course and a most unique course at. A runner's peak is not always a short time in the year, which was that the State Meet would be past the team's peak. This worry was unfounded as outstanding team effort was turned in by everyone. It was the young depth and depth which brought the team to third place finish. Even though the first finisher Swan was only in 11th place the tight grouping of Austin, Ben, Maher, John, Anderson, 1st and McCarthy, 3rd along with displacement depth of Lane, 4th and Jetton, 5th made the difference. Although two more meets were run in the remainder of the week, the downward slide from the peak and general exhaustion from the most competitive and busy schedule in NYA Class D history continued to bring the rest team losses. But the performance at the State Meet could not be changed or forgotten.

The departure of seniors Anderson, McCarthy, Swan and Vather and with leave numerous holes to fill in the team's lineup, but a strong core of returning veterans Maher, Austin, Jetton, Wade and Montehead should lead the team to another fine season next year and continue the tradition of competitive Cross Country at NYA.

Girls Cross Country

Not only did the close of the women's cross country season signify an end to the high school competition for four of the team members, but it also marked the end of a period in women's athletics at NYA. When women's cross-country started in 1979, there were five members, just barely enough to make up a team. The following year there were only two runners, Diana Dietrich and Julie Fitzgerald. These two girls courageously ran with the boys for that season and achieved remarkable times for their age and the level of competition. Diana and Julie have both achieved high ranks in the state of Maine and are highly commended for their perseverance and skill. We also thank them for making women's cross country team a reality at NYA with its current 11 members.

This year the three veterans, seniors Julie Fitzgerald, Captain Diana Dietrich and Nicola Morris put forth an admirable effort under the unfortunate circumstances of sickness and injury. Julie Fitzgerald started the year very promisingly by finishing first for the team and in ninth place at the Mount Desert Island Invitational, unfortunately she was soon put out of commission because of a leg injury. Diana Dietrich placed tenth in the State Championships, overcoming a severe leg injury. And this year we were blessed with the presence of many new and eager runners, Desree Patten, Dawn Nelson, Karen Colombo, Lisa Barnes, Katrina House, Amy Parnell, and Erica Ingersoll.

This year the three runners we would especially like to recognize are Erica Ingersoll, Dawn Nelson, and Jane Hamilton. Seventh grader Erica surprised us all with her determination and natural ability for running. We regard her as a bright hope for the future women's cross-country teams of NYA. Ninth grader Dawn Nelson put forth her best effort achieving her best time of 23:37 on a three mile course. We certainly look forward to seeing Dawn run in the future. Last, but certainly not least, we would like to point

out and congratulate senior Jane Hamilton. Jane was a constant and enthusiastic runner, always coming through for us and running many good races. She placed twelfth at the State Meet and achieved a peak time of 22:26 on a three mile race course. The team thanks Jane for all her energy, enthusiasm, and talent.

The team finished third in the State Meet to end the season with a proud victory. Although our season was not altogether a winning one and at times very trying, the team members learned a lot about ourselves, each other, and how to relate to one another.

Soccer

Being prepared to play the defending Class B Champions, Gray-New Gloucester with only a week and a half notice would be tough for this year's soccer team. The pre-season tryouts gave no prediction of how the team would shape up. Lining the shelves of the storeroom playing of strikers like Alie and Swedish student Anders Linsell and the defensive work of Gib Palmer and Eric Morris would be a tough chore.

Leadership was needed in the early days and it was shown by Captain Ryon Mano, Mike McHugh and Matt Gove. Morris, whose playing was instrumental in last year's successful season, would play a significant part in the team's progression this year. McHugh, who was brought up from the JV's towards the end of last season, played a role setting things right up in the final game where he scored our only goal in the defeat against Georges Valley. Gove, who has, as it proved every year, showed some of the best skills and is believed to have had his best year this fall.

A few new players moved into the vacant spots on the team. Winger Bob Bernard, Goalie Steve Dumond and Fullback Sean Carroll caught Coach Morris's eye and he gave them starting positions. There were also a few position switches. Keith Russell was moved to sweeper, an entirely new position for him. Although it took him a while to become acquainted with the position he had it mastered by the end of the season. Another move was the placement of Jim Skillings to fullback where his spirited play fit in nicely.

Coach Morris's success came with his team's defense. Marking and Transition were aspects stressed all the time. He felt that if we held our opponents scoreless then our goals would come. Well, the first game of the season proved that we needed work on these and other aspects of our game. Although it was not an unexpected outcome, Gray-New Gloucester, led by two fine Swedish students, soundly defeated us 5-0. Things started clicking during a spirited win over Class B power, Waynflete and we gained our first win 2-0. Our next game was against Fryeburg and in that day we met Lamar. Sure, but who we were, we never had met. He pumped in two goals in a tough 1-1 loss. Then came a heart-breaking loss, 5-2 to Gray-New Gloucester after being ahead 2-0 in the first half. In our next game dominated St. Dom's which resulted in a 1-1 tie. We did well in the MAISAD Round Robin with a 3-1 record, and won a relatively easy game against Buckfield. The next week we traveled to Fryeburg and with Lamar sitting out the first half we played aggressively for three periods, but Lamar scored the

WINNING GAME: On a 0-0 score at half a period, Wester pre-works to own the remaining games. The team plays to the success of the game against St. Denis. Off the bat, most players of the team left Monrovia who had Morris had to go to the bus to get to the game. Morris scored a game winner against the Saints 2-1.

The last game of the close week, Coach Morris had emphasized that year passed. It is the 11th game with Monrovia as a striker. With Jim Skibog, Sean Carroll, Jim Weere, Kirk Ross and Brian Steve Diamond in the defense we had very few goals scored against us.

At the end of the regular year, the team was anxious to see the standings. When we were placed second, higher than we had been in previous years we knew that we had improved. We were looking forward to the first playoff game against Monrovia and wanted to win. I was

the player to score the first goal of the game. Kirk Ross, who had been on the club for two years, had been the only player to score in seasons 9 & 10 N.Y.A. and this year proved to be no different. It was a defensive struggle to win the game and two overtime periods. Then it came down to a coin toss. We were so far off the top last year we were not going to do the same this year. The coin toss was a tie and the coin was flipped again as the rest of the game had been and we were in overtime again. A coin was flipped as the tie. Kirk Ross headed in the game winner in the overtime. Ross had made a spectacular save. When Kirk Ross headed in the ball during a scrum, he was unable to score on our last chance, they finally won.

On against Wester, Mike Chapp, a player who had been with Morris. Yet all we learned that we had enough MAISAD wins to qualify for the playoffs. That night we defeated at 1-0. It was a advance to the 1st as against St. Peters, a talent laden post graduate team. Although aggressive for three and a half quarters, we were defeated for the second year in a row.

After all the disappointment, there were a few post-season honors. Ryan was voted to the All-State team, and Mike McHugh was voted to the MAISAD team and Sean Carroll received a MAISAD honorable mention.

Hockey

Once again the varsity ice hockey team enjoyed a successful year until March 5. Starting pre-season, there were not nearly more students for tryouts which made competition for spots on the team rigorous. After the final cuts, there was a strong nucleus of players led by captains Paul Belliveau and Ryan Munro who took the team to the play-offs.

The season began at the CMYC in which we participated in a Round Robin ending with the best record of 5-0-1. Yet the first real test of our abilities occurred when we played against last year's nemesis St. Doms who beat us three times in the 1982 regular season only to lose to us 3-1 in the 1982 play-offs. We put on a strong effort in this first contest with them and we won 4-2. We then met our first defeat against Waterville who came from behind 3-0 to win 4-3. In the Bill Barber Memorial Tournament at St. Marks, we tried to bounce back only to lose in the last 32 seconds of the opening game to St. Marks. Finally, after two losses, the most in a row all year, we defeated a tough St. Sebastian team 4-3 and Middlesex 6-3 for the consolation win.

Our first game against Lewiston was probably one of the most exciting games of the year. It featured a come from behind win with Ryan Munro scoring the tying and winning goals. When we played Lewiston again on the Winter Sports Weekend, we lost a suspenseful see-saw battle in overtime, played in front of the largest crowd ever attending an NYA game. Our third game against St. Doms featured another thrilling overtime win with a key goal by Paul Belliveau.

The end of the season came and, with the best record ever by an NYA Varsity Ice Hockey Team and the highest ranking finish of 2nd place we moved into the playoffs. Although we lost during the last five minutes to the nationally ranked number one Mount St. Charles team our experience and tough play against them spirited us on to a 6-1 thrashing of St. Doms in the semi-final game. Our win over St. Doms meant that we had to play Lewiston who also had won in their semi-final game. We began the game with a bang - scoring three goals in a matter of minutes but those three goals were all that we scored for the day. Lewiston came back with two goals during the final minutes of the first period and the momentum of the game swing to their side and they scored four more goals to win the playoffs 6-3. It was a hard loss and once again made a sad ending for a truly great season.

To go along with our fine team record there were several fine individual honors at the end of the season. Co-captain Paul Belliveau was elected MVP of the MHSI All State Team. And both Belliveau and McHugh were elected to the All New England Prep School League Team. In addition Eric Wenzel made the All State Team while Keith Russell and goalie Sean Carroll received honorable mention.

Coaches Ed Good and Charlie Hudson did a tremendous job this year and they look forward to next year's team and season.

Boys Basketball

The N.Y.A. Boys Varsity Basketball Team of 1982-83 was the first team in Academy history to reach the Western Class D Tournament. Led by the dedicated coaching of Mr. James Bruges, the team tripled the number of wins from last year's record with wins in both league and non-league games. The cornerstone to the victories of this year was team work. Everybody showed tremendous enthusiasm and was willing to work his hardest to achieve a goal: a spot in the playoffs.

Although the team worked as a unit this year, it would have been nonexistent without the individuals and their play. Senior Sam Crosby, center and captain of the team, provided the team with invaluable leadership and topped all other players in scoring with an average of sixteen points per game. Also, Sam countered his 57% shooting statistic with tenacious defense.

Another important factor on the team was forward Ted Pendleton, who transferred from Islesboro at the beginning of the school year. Ted, a sophomore and the second tallest player on the team, improved tremendously throughout the season in both rebounding and shooting and finished with an average of nine points per game. At the other forward position was a junior, Rod Pendleton. Also a transfer from Islesboro, Rod's highpoint was his aggressive defense. Filling out the guard spots on the starting five were three players: Chris Chabot, John Fanning and Josh Wolte. These three alternated throughout the season in the backcourt positions. Senior Chris Chabot showed a mness and experience on the court, handling the point guard position with great poise and confidence. John Fanning, a junior, made his presence known by his outside shooting, both from the baseline and the perimeter. As a point guard, sophomore Josh Wolte demonstrated his ability to handle the ball and also the penetrate inside.

Junior Bill Lane was the team's sixth man off the bench, doing a tremendous job of rebounding and shooting in the frontcourt. Sophomore Stephen Broberg, also a forward, always showed enthusiasm, but was injured midway through the season and unfortunately did not see much playing. Sophomores William Brewer and Bill Sargent were both guards, the former a very good outside shooter and the latter a very quick and aggressive player. Special mention must be made of manager Kris Prizer and statistician Tracy Leeber for the help and effort.

In league action N.Y.A. arrived at a 6-10 record, with a 9-13 record overall. The most outstanding games of the season were victories over Kents Hill, Waynflete and Vinalhaven. After being beaten once on Kents Hill's home court, N.Y.A. made up a

deficit of more than fifteen points to overcome a surprised and overconfident Kents Hill team and notch their second win in non-league action. Longstanding rival Waynflete also met defeat on their second meeting with the Panthers. Having been beaten by five points on their first encounter, the Panthers were anxious and ready to show their power on the home court. In one of the most satisfying victories of the year, NYA defeated Waynflete by a twelve point margin, placing the team one victory away from a Tournament position. The next for the Panthers was a home game against Vinalhaven. In order to qualify for the Tournament, NYA had to knock Vinalhaven out of fourth place by defeating them. In NYA basketball history, the Panthers had never beaten the Vikings, but with the cheering support of a huge crowd, the NYA team surpassed the island squad and lodged a qualifying spot in the Tournament.

The Tournament game placed the number four NYA team against the number one Oak Grove team. Having been defeated twice in the regular season by the Lancers, once by one point the second time by ten points, the Panthers were out to avenge their losses. By the end of the first half, NYA was down by eight points. Determined to even the score, the Panthers came back from an eleven point deficit in the third quarter to lose to a tough Oak Grove team by only two points. Oak Grove went on to win the Western Class D Tournament. Despite the fact that NYA had more losses than victories, the team had one of the best records in recent years. The team members would like to thank coach Briggs for his patience and time, and for a very gratifying season. Good luck next year.

Girls Basketball

The 1982-1983 Girls' Basketball team began the season slowly, winning one and losing one in a double header against North Haven. The team's slow start eventually turned around to a strong finish, and the team in the end defeated several teams to whom they had previously lost. With the loss of one senior and Karen Dougherty who was ineligible for the SPA-sanctioned games, the team was forced to compensate for the loss of height and dominating rebounders.

However, forwards Jane Hamilton showed commendable strength by mid-season. Her strong rebounding and scoring at the foul line and from the field made her the overall high scorer for the team. Sophomore Jennifer Lane pulled down several rebounds for the Panthers and is a key player for next year's team. Tracy Leeb, also rebounded well, and the three-year varsity veteran ended her senior year successfully contributing a number of points each game.

Guards Diana Dietrich, Serrene Karkos, and Dee Lindsey were the outside shooters for the team. Senior Diana Dietrich contributed regularly with her outside shooting and she occasionally substituted for the point guard position. Sophomore point guard Serrene Karkos came through as the second highest scorer for the team. Co-captain for the year, Serrene's talent and experience as a player will continue to help the team in the years to come. An exceptional outside shooter, freshman Dee Lindsey, contributed heavily with her baskets from the outside and has the potential to be even better in the next three years.

Charlotte Smith, Jennifer Horstmann, and Amy Lindsey served as swing forwards and guards. Senior and Co-captain Charlotte Smith shot well both under the boards and outside. Charlotte's leadership as Co-captain and a skilled player provided a considerable amount of support and dedication for the team throughout the year. Jennifer Horstmann played forward and guard. The 5'1" senior pulled down her share of rebounds and added several points to the scoreboard. Junior Amy Lindsey will help the team next year with her ability to play both guard and forward as she did this year.

Senior Karen Dougherty, who was ineligible to play in league games, helped the team to a few victories in the non-SPA games.

Meg Fenderson, Stephanie Hart, Kristin Male, Tasha White and Meg Horan all contribute from the bench both in their spirited support and play. These girls will be looked to for more playing time on next year's team.

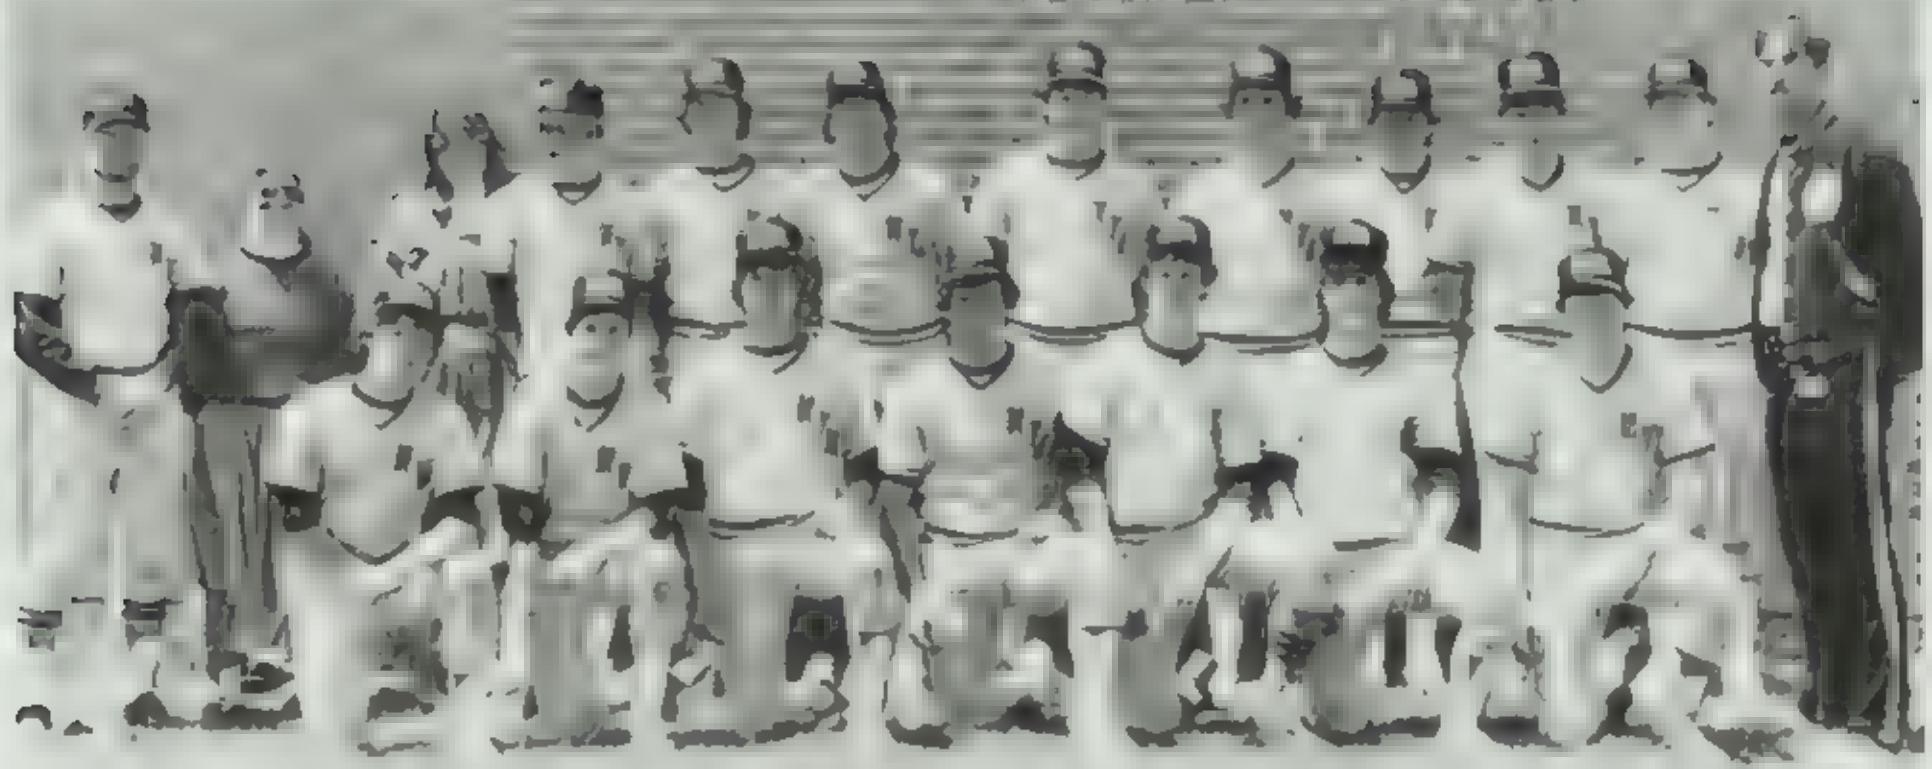

The team ended the year with a 8-13 season. Although the season was not as successful as the previous year, we gained experience and fun through the playing and the superb coaching of Mr. Morris, the assistance of Miss Bebricki and Manager Lisa St. Lawrence. The loss of six seniors will obviously hurt the team, but the remaining players look forward to next year's season with anticipation and hope.

Baseball

Coached by Mr. Morris and Mr. Fuller, this year's Varsity baseball team had an outstanding S.P.A. record of 9 wins and 2 losses, with an overall record of 10 wins and 5 losses.

The fifteen player club will be losing only three players, but these three seniors helped the team immensely. Alternating between playing second and third base was senior Steve Pratt. Steve was consistent in his fielding making few errors and he batted for a .273 average. Senior, co-captain and first baseman Paul, the speedman Belliveau showed consistent hitting this year with a .365 batting average. The other senior co-captain was Chris Swan. Chris fielded his position of short stop like no one else on the team. Couple his fielding ability with his hitting ability, .324, and anyone can see why Chris accolied and led the team so well.

Others on the team also contributed to the successful season with solid averages. Steve Dumond led the team with a .481 batting average, and Joey Thornley, who was known as ' to his teammates, led the team in walks with 19. In addition Catcher Eric Weinrich and shortstop Chris Swan added to the team's exciting season with thrilling homeruns.

Probably the greatest thrill the team had occurred when we defeated the defending state champions Fryeburg by a score of 9-1. Steven Brobert pitched a sensational game against this hard hitting team only allowing four hits while striking out six. During the second game against Fryeburg, Steve's pitching was not as successful as in the first game because in the fifth inning Charles cracked a homerun and their pitcher DeCesaro only allowed five hits, two of which were batted by Belliveau. Because we tied with Fryeburg for first place we had to play them a third time to see who would go to the States. Playing at the neutral Bridgeton Academy field, the game was close, but in the fifth inning a questionable call by the umpire kept Fryeburg's hopes alive, and they scored five runs in that inning. So even though our season stopped with that 14-3 loss, we still ended with an impressive and highly successful record.

Lacrosse

The NYA '83 Lacrosse season began with the customary three weeks of pre-season practices in the gymnasium. Unfortunately as a result of inclement weather which confined us to the gym, the team suffered serious setbacks in both practice and game schedules. Four weeks after the start of the season, the team was thrown into their first game against Brunswick High School. Even though we won 9-8, our weak points surfaced and from that point forth, the players strived to smooth out individual and team trouble areas. Following the Brunswick game, the team successfully held off top ranking Brighton Academy 8-5. Yet, after these two initial and consecutive victories, the rest of the season was a mixture of losses and wins.

The team consisted of many returning lettermen however, some players were rotated to new positions. A major transition was Sean Carrol's move from a hard-hitting mid-fielder to an equally demanding position, as goal tender. Although reluctant at first, Sean showed great skill throughout the season.

Our starting attack line was composed of three highly skilled players Jim Skillings, Ryan Munro, and Jeff Morton. Backing up this awesome trio was an impressive mid-fielder Guy Morton, and Murray Sparks. Matt Gove, Jeff McCarthy and Rob Tracy served as excellent backups, having the ability to play on any offensive line as one cohesive unit. Rob Tracy was especially helpful in strengthening the very thin one line defense during times of injury or penalty.

The three defensemen, Bob MacQueston, Donald Sharat and Matt Jeton improved greatly from the previous season and by the close of this season, they were working well with the goalie Daved Brooks. Nate Smith and Willy Thomas were all newcomers to the team who had surprisingly fine basic skills. These three players saw quite a bit of bench time, but they were always eager to play.

whenever they were needed

The 1983 season resulted in a 5-8 record and three seniors. Ryan Munro, Rob Tracy and captain Gay Morton received the honor to attend the All Star game. We thank Mr. Norden for his time and effort and we look forward to a fine season next year.

Softball

For the second year in a row, the Varsity Softball Team reigned as MAISAD Champions. Our overall record of 7-6 with a 1-0 record in the MAISAD League was and is the best season NYA softball has seen.

We had only five experienced players returning - three of whom are leaving this year. Talented four-year veteran Jane Hamilton who played 3rd base and occasionally pitched, ended the season with an impressive batting average of .455. Tracy Leebet, a three-year starter showed tremendous hustle and determination throughout the season. Tracy played second base early in the season and moved to left field to help strengthen the defensive ability of the team - which was a sacrifice she willingly made. Jen Horstmann who was a senior newcomer to NYA this year showed with her aggressive style of play that she was not a newcomer to softball. By playing right field and being a key trade off hitter, Jen became a great asset for the team.

In addition to our talented senior players we also had several talented underclassmen making integral contributions to our winning season. Co-captain Amy Lindsey played shortstop and second base. Amy's versatility made her indispensable this year and she will be a key player on next year's team. Co-captain Serene Karkos too, had a great season on the field as a catcher and behind the plate as a batter. She finished with a batting average of .341. On the mound was pitcher Dee Lindsey who threw superbly all season long. Her highlight of the season occurred in the game against Rangley in which she struck out eleven and allowed only one run. Sophomore Jen Lane moved from first to second base after the first few games which allowed sophomore Meg Horan to see a lot of action and to improve a great deal. Left fielder Kim Luce led the team in on-base percentage while center fielder Allyson Palmer helped the team with her strong hitting. Newcomers, Tascia White, Karen Kocincki and Tina Clark improved throughout

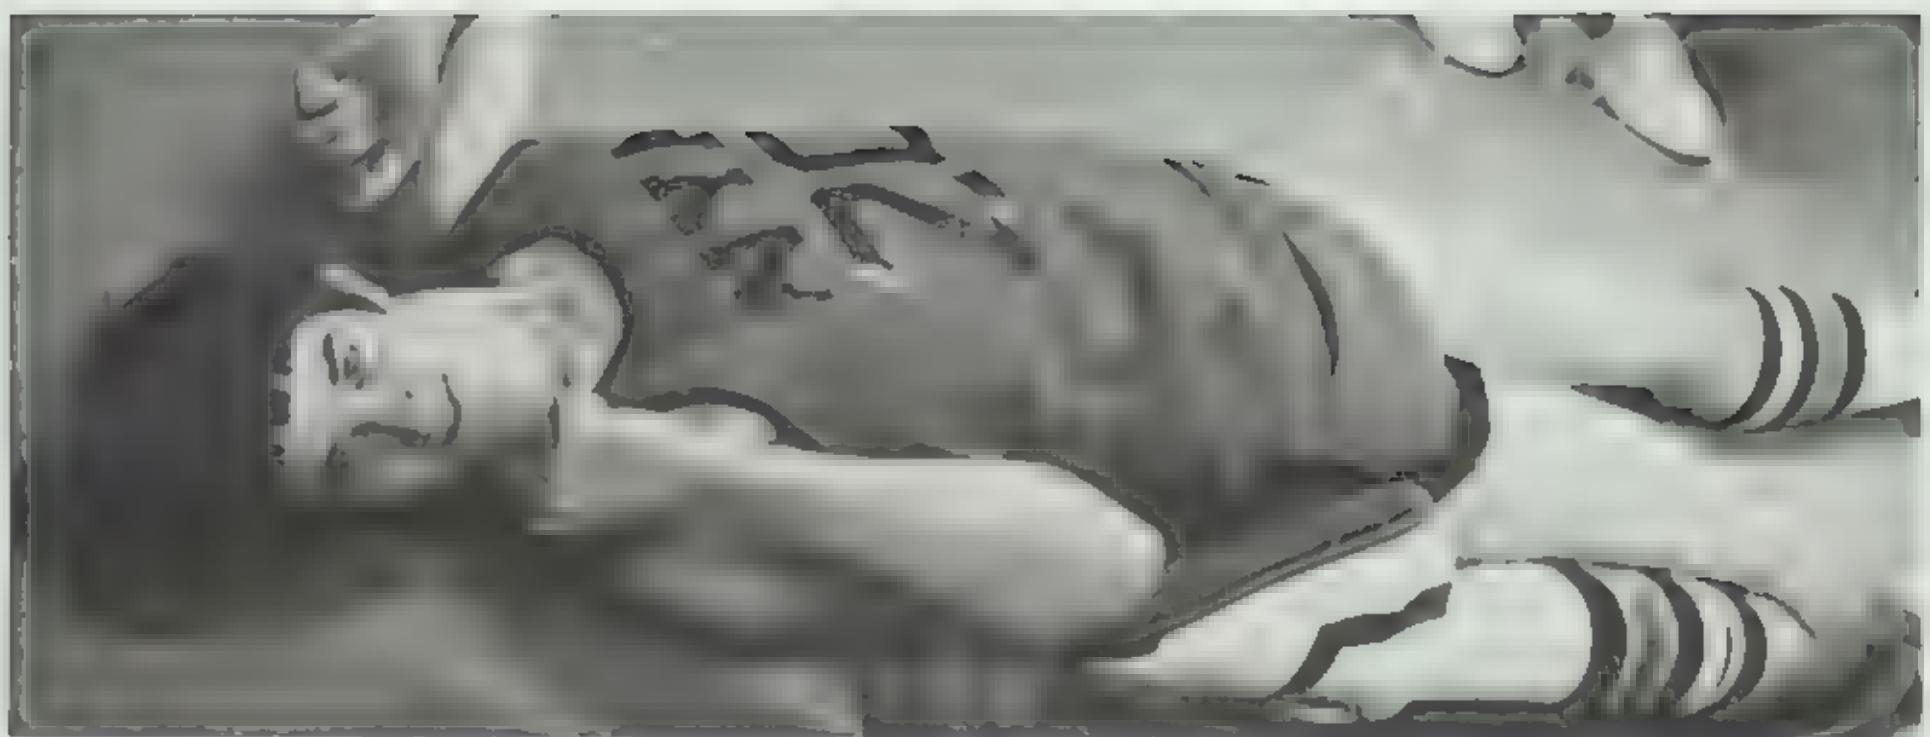

the season and will be strong players for next year's club

Because the softball season was plagued with rain, many games were cancelled, yet there are a few games that will be remembered. Our first encounter with Fryeburg ended with an irritating 15-16 loss and then in our second confrontation we scored seven runs in the final inning to win 8-7. Our wins over Rangeley 13-1 and Kents Hill 26-20 will also be remembered as stand out victories.

Overall the season was a success. The team owes many thanks to coaches Mr. Curtis and Mr. Martin for their time and patience in helping to make the season so enjoyable.

Girls Tennis

This year the women's tennis team influenced by Coach Bobrycki had a winning season. We posted 3-2 wins over Hyde Fryeburg, and St. Doms and a 5-0 win over Kents Hill. We lost only to Hebron and Berwick, ending our season with a 4-3 record. Stephanie Hart (1-6), Andrea Gove (3-4), and Jessica Church (4-3) were our singles competitors and Desiree Pulen - Senior Captain, Charlotte Smith (5-2), and Laura Haney, Meg Fenderson (5-2) rounded out the squad as the doubles teams. The rest of the team consisted of Julie Noyes, Kristina Andrew, Kris Prizer, Kelly Curry, Andrea Murray, and Manager Kim Capozza.

The SPA Singles and the MAISAD Team Tournaments were the highlights of the season. Although four of us missed the NYA Outing Day in order to participate in the SPA Tournaments, we did get the chance to play and watch some exciting matches. Hart, Gove, and Smith played and lost their first round while Church proceeded a round before being eliminated by a tough Deering opponent. In the MAISAD Team Tournament Stephanie Hart proceeded one round before losing a rather exciting second round of pro sets to a Gould player. And at the same time the doubles team of Pulen-Smith played Kents Hill and them in the first round, received a bye in the second round, played an exhausting Hebron team in the third round and won in the third set and made it to the finals only to lose to a second Hebron team 6-0, 6-2.

Our season was most rewarding and enjoyable and we look forward to an even more promising season next year.

Boys Tennis

The Spring of 1955 was a remarkable year for Varsity Men's Tennis at N.Y.A. Many firsts and outstanding marks were attained during the first season of Tennis at the Academy's history. The best ever record of nine wins and four losses, the second place finish in MAISAD League competition, the first appearance of an N.Y.A. Tennis team in the SPA Class A State Tournament and the list of the team's accomplishments.

The season started during the first of April with two days of early practice being held at the indoor courts of the nearby Tennis at MacIntosh's. The whole cost of the courts - part of a pay for the court time a day will be given - with a part of a payment was made, both in terms of food and service, to the coach and also in that it provided about a good positive team spirit early on. This was about one of the players in the last year's team in the prospects, like Greg Beck competitor for his other school sports and major power and interest ever. The first taste of tennis came on April 10, just before April 11, at a match down the street against Yonkers. In a five singles and three doubles match Greg, as a double agent of the team, was paired with the team taking a one hour 1-2 win. Not only was it a sweep of all three matches but it was also set by Scott Marin and Greg Beck both of whom would later be two of the three regular singles players along with Senior Captain Mike McMillan. In other veterans Alan Walsh, Jim Farren, Jim Kent, Russell along with hard serving new comers John Schubert, Greg Beck, and the new group to add the two regular doubles teams from for regular season play.

With nothing to lose the team had as its first real match as an opponent an undefeated Brighton team already well tested and in the last week of the previous season. A long, hard and tiring day of non-stop close games of play with three tie breakers and three 5 set matches along with the newest Marin and McMillan, the number one and two, as respects a home win for the team to our success. Two days later at another test match a powerful Elmont squad was the next to test the team and it was evident that they were still somewhat rusty from the vacation break. The on-going aspect was the play of the newly formed doubles team of Farren and Schubert. These two complemented each other well and would eventually complete an 8-0 record for the season in winning the MAISAD Doubles Champion title, the first such win ever for

in NY A doubles team. During a break in the constant rain weather a solid team performance was turned out against Cen. The following week

tra 3 - 0 and at auspicious beginning to the match.

The strong play of both Joshua's teams, Fanning, Scrivner and Russell, Walsh was notable as Chuck Haas initially seemed to have the right tactic in mind, as after trying different pairs and all of the previous matches. With an effective one up strategy set, the team would go on to win six out of the remaining seven regular season matches. The "loss" came in the rematch with Hebron and it is that the team was unable to find the regular line up with two players set up with the College Board Exams. In regular play strong were first ever wins against Prep School power houses Hyde and Kent's Hill. These wins indicated a major breakthrough for the NY A Tennis program as the team was at home, yet two players faced opposing players in the Hyde and Kent's Hill classics from the up to New England and even as far as California. Throughout this period the steady play of McHugh and the Russell, Walsh team, who would compile records 18-4 and 13-3 respectively for the season along with the continued success of the Fanning, Scrivner team, often made the difference in many close 3-2 team wins. While one of these players had an off day, the other members of the team invariably came through with clutch plays such as Chris Beck's key win at #3 singles in the close match with Hebron. Mention must be also made about the fine play of freshman Scott Maher who filled the #1 single spot. Although his record on the year was a 1-8, he had a respectable performance in the SEA State Single Tournament in which he proceeded through two rounds and reached the final 32 at Augusta. Points toward great future success.

With the close of the regular season the team found itself headed to the Class A SPA State Team Tournament for the first time ever as Champion of the Southern Independent League. The team's first opponent was Cen. High School. Representative of the KVAC and an unknown quantity as NY A had never come up against any teams from that area. Match called. Talk around the Tournament Director's Table and amongst the coaches indicated that Cen. was looking forward to an easy match and in a round from unknown NY A. The outcome was opposite of the pre match talk as a fine team performance slammed into a decisive 3-1 win. The determination and play was clearly shown with Maher, Fanning, Scrivner and Russell, Walsh all scrapping their way to hard fought 3 set decisions. Three days later the season ended with a loss in the Quarter Finals to eventual repeat State champion Lewiston. Although it was disappointing to finish the season with a tough loss, nothing can change the outstanding accomplishments of this team and teams of future years will be hard pressed to match the 1985 Varsity Tennis Season.

Figure Skating

This year's skating season was extremely successful. There were thirteen skaters in all, nine of whom were newcomers to the program. A great deal of laughing and joking entered our practices throughout the season but an enormous amount of serious and hard work was also completed. Though it is hard to be serious about skating at seven o'clock in the morning, we always tried to make the best of it. We seemed to manage to get some work done thanks to the good sense of humor of all the girls and to the almost endless patience of our coach Mrs. Hathaway.

Not only was the season as a whole a success because it showed the girls just how great of an improvement they have made. Congratulations to all the skaters and their coach for their achievements and may we all continue to improve.

Something good has been happening this year. A chemical reaction took place in drama. Each member of the drama group has a special talent. The diversity of the group, combined with enthusiasm and hard work made a powerful combination. The catalyst for this reaction was the leadership of Mr. and Mrs. Bonnin. They deserve much respect because they have taught us not only about theater, but also about working together as a group. Every member was of equal importance, from the person who prompted us when we missed a line, to the stage crew and the actors and actresses. Everyone was a star.

Two plays were performed this year. Our first production was THE HOMECOMING, a christmas play written by Earl Hamner, Jr. The play was performed successfully, and all our hard work paid off.

Our second play was a play called HERE AND NOW. This play was... strange. Many of us could not decide whether we liked the play or not. Nevertheless, that decision was easily made on the night of the first performance. We could all say that everyone enjoyed the play. The parts were fun and challenging, and there were no fancy sets to worry about. The play received a positive reaction from the audience.

We hope that the group next year will be as successful, if not more, than this year's group. There are nine seniors leaving the group, but with the Bonnins' guidance, the group will doubtlessly remain united and hard-working.
